

President Message

I don't know, but I think the rainy season has gone and summer is finally here. Francis has been hard at work planning events and the Club has never been so active since his arrival. I encourage all members to participate.

Many of you receive beautiful panoramic photos of Quig's many hikes by the sea on the Rock. In addition, we keep in touch regularly and I guarantee his humour has not dissipated.

Enjoy the month of October.

Cheers my friend,

Cliff Kennedy

Saint Andrews – Rossmount Inn

The review is in... and again the Rossmount Inn has blown folks away on its spectacular culinary weekend! I have heard nothing but praise for them and the evening.

It's always a treat for our Club to return to Saint Andrews and the Inn.

On September 14th, 10 members/guests travelled to the Rossmount Inn for an overnight stay...an overnight stay that included a fabulous dinner and a hearty breakfast.

If you have never been, you should sign up next time our Club goes or call and make plans yourself. Guaranteed that you won't be disappointed. See all the photos below.

Message from the Club Manager

Happy October everyone! Although it is looking like it will feel more like September. Let's hope it will be like last year when we wore shorts right up until November.

The Club's fall line-up is well on its way, and I remind you to sign up for things as soon as possible. Please feel free to invite guests as well.

You would have seen a trip notice that went out to you all, Costa Rica this November. I have a few Club members interested but many more who can't at this time but would love the opportunity to travel with the Club again. If that interests you, please let me know.

October is certainly the main apple picking season. Those cool crunchy apples right from the tree, simply delicious! Join us for an apple adventure on Saturday, Oct. 21, starting at 2:00. We begin at our place for an apple cocktail, then out to River View Orchard in Keswick for some light apple picking or a walk on their beautiful property. Then we will head back into the city for 5:00, for a stop at York County Cider, followed by dinner at 6:15 at STMR 36 @ the Delta.

Fall days can be so beautiful, so why not enjoy them and sign up for one of these great events?

Francis Perry

October Events and Beyond
