

President's Message

On behalf of the Board, Norma, and myself, I want to wish you all, and your families a Happy New Year and the best to all in 2024.

Our Club is in great hands with Francis as our GM. He and the Entertainment Committee will again plan and execute interesting activities and fun events throughout 2024.

I hope we can attract new members, young and old, to increase our membership.

Celebrate the New Year with joy and happiness in your hearts and see you next year at an event soon.

Last Month's Events

We filled the restaurant at Wolastoq Wharf for our annual **Christmas Party**. We were very honoured to have our last two founding members present, John Price and Bud Bird.

Beat the Blues was hosted this year by Hart and Janet North. It was a nice relaxing evening and a wonderful success.

Message from the Club Manager

Let me wish you a Happy New Year!

The Holidays are now officially over, for most! In a few days, the decorations will disappear, and we will all be settling in for winter. Some of us, speaking about yours truly, will be away in Mexico from January 16th to March 7th. I will try to cause as little disruption as possible. So hopefully some things will work from Mexico (speaking mainly the February invoice).

I am busy planning some things for winter and even spring. More information will come out by email in the next few days. I do hope you will join the Club at some of these events. Winter can make some of us stay inside a lot, so maybe you might have to push yourself out! Keep note however, if you are EVER feeling sick in any way, for the sake of everyone, please stay away from our events.

I wish all of you a wonderful, happy, and healthy 2024!
